CLUB COMPETITION

Saturday afternoon 2 p.m. to 6 p.m. (4 p.m. start January)

SPONSORS

Love Industries
Nestles Australia Ltd.
Duracell Batteries
Pacific Savings Building Society
West Ryde Trophies

PRESIDENT/SECRETARY'S REPORT

The Club's activities this past season have certainly surpassed that of past years, with credit due not only to the Executive Committee for their drive, enthusiasm and hard work, but also to our "Senior" members, the few parents and all our competing athletes.

Saturday competition has held its appeal, with a greater number of visiting athletes adding to the competitive spirit, enjoyment and performance improvements.

The introduction of Decathlon for "all ages" proved successful, bringing to the fore performances that surprised many athletes who specialise in a few and limited events. It is hoped that the Decathlon will become an annual event.

A modified "Mars" Star Award scheme was introduced to boost the interest in Club competition, and the results exceeded expectations. Suggested further modifications should set up this special athlete-involved and performance monitoring scheme as a real drawcard.

With the addition of Steeplechase equipment this Club is now probably the best equipped in the outer Western Suburbs area. However the programming problems envisaged will have to be sorted out this season if we expect to achieve maximum benefit of this facility.

Coaching and training sessions have improved but due to work commitments of several coaches this has limited training to some extent. Group training has been successful and should be encouraged.

It is encouraging to see many Little A's finding the Club's activities enjoyable and competitive and that so many are remaining with us each year. Both the Little Athletic Centre and the Senior Club work hand in hand in the up-keep, marking out, etc, of the Oval and also in ground improvements, and I see no reason why the close relationship should not continue. Both Clubs share items of equipment and continue to upgrade facilities so that athletes gain maximum benefit.

We are indebted to the Toongabbie Junior Rugby League Football Club for allowing us to use the Oval during the summer season and we hope our standing with the Club will continue.

In conclusion, I thank all associated with the Club's functioning, for their part in the conduct of the Club's activities this season. All made my position as President/Secretary most rewarding.

John Wheeler.

REGISTRAR'S REPORT

The sixth season of the Girraween Amateur Athletic Club attracted 65 athletes which compares favourably with 60 in 1978-79, 48 in 1979-80, 70 in 1980-81, 46 in 1982-83 and 56 in 1982-83.

The club had only one registered official, John Wheeler, this season, but luckily we had a number of volunteer officials to call upon.

Visiting athletes were more numerous this season and provided tough opposition for some of our members.

Thanks to John Dwyer (our first visitor) for introducing Dale Berryman to the club. Dale competed in the under-12 age group and showed promise in the steeplechase event.

Bob Sewell.

TREASURER'S REPORT

5.

This the sixth Athletic season of our Club has been very successful financially. Following is the 83-84 Financial Statement.

The season commenced with a balance in the General account, which is held by Pacific Savings Building Society, of \$785.91. This amount was represented by \$650.00 - Steeplechase Reserve and \$135.91 - General Funds.

Fund Raising this season was not as fruitful as it was in the 82/83 Season with only \$65.00 from a Market Research Campaign, however this was offset by the monies returned by the Canteen profits being \$352.80.

The Steeplechase, Hurdles and Water Jump Pit were finished this year and it can be seen from the financial Statement that the \$136.99 left in the Reserve Fund was transferred to the General Fund. As yet the Electrical Account of \$141.72 has not been paid to the Little A's as they had closed their books before it could be passed over. This account will be paid after this meeting.

Singlet Sales of \$217.00 were made this year and we purchased 30 singlets for \$223.25 which gives us 27 Singlets and Three (3) 'T' Shirts in Stock.

The Representative Fund held by the Pacific Building Society opened with a balance of \$123.95 and with accrued interest of \$9.16 closed with a balance of \$133.11.

I would like to thank all Club Members and Officials for their support during the season and wish them all the best for the forth coming season.

S. Kidd.

PUBLICITY OFFICER'S REPORT

Once again, we received support from the Parramatta Advertiser which published a small article about the club's activities before the season started, an article on the club's decathlon championships and many of the results from our Saturday afternoon meetings.

Unfortunately, the Advertiser did not publish sporting results as frequently as in past years and this resulted in a reduction in our publicity.

Athletic results in the Advertiser are read by many runners and have attracted several new members to the club in past seasons.

Bob Sewell.

NEPEAN MOONLIGHT RUN

The Nepean District Amateur Athletic Club held its 3K "Moonlight Run" from June to August on the track at Blair Oval, St. Marys.

Results were decided on a handicap basis and Paul Sewell improved his time from 13.42 to 11.59 to win the second place trophy.

Bob Sewell.

CLUB RECORDS

When one remembers the 1983/84 season, the breaking and setting of records must surely come to mind. During the season no fewer than 230 records were set or re-established. Approximately 106 for males and 124 for females.

It must be said that records are usually set due to the tough nature of competition. This I believe was the essence of the 1983/84 Girraween Season, with many athletes being pushed towards their personal best by the stiff competition each week.

The 1983/84 season saw Girraween Athletes run faster, jump higher and further as well as throwing longer distances. The same story should be repeated next season.

Special mention must go to the following athletes who broke long standing club records during the 1983/84 season.

Paul Manton .. Open 100M (est. 79/80 season)
Peter Kropman .. U/16 Triple Jump (est. 79/80 season)
Tony Manago .. Sen. Long & Triple Jumps (est. 78/79-79/80 season)
Kim Pitzing .. Open-U/14 3000M (est. 79/80 season)
Catherine Kropman .. U/13 1500M (est. 79/80 season)
Natalie Avellino .. U/13 Shot & Discus (est. 78/79 season)
Kellie Fenech .. U/14 Discus (est. 78/79 season)
Jackie Wheeler .. Jun. 100M, 200M, Long & High Jumps (all est. during 78/79 season)

It was also great to have the many first time records added to the board this year which included female Veterans. A special congratulations to Jackie Williams, and it's hoped that her enthusiasm rubs off onto other mature athletes who might be contemplating "having a go."

Craig Downie.

CANTEEN REPORT

With the completion of the 1983/84 season our canteen has shown a good profit with one Blair Zone Meeting to help boost our funds.

I would like to thank Mrs. Bev Grace and her daughter Rennae for their assistance in the canteen every Saturday afternoon. Also Rennae and my daughter Kellie for their efforts in making pikelets to help our funds.

Finally many thanks to members and visitors who supported us through the season, all our efforts will benefit us next season. Hope to see everyone again in September.

Mrs. Lesley Fenech. Canteen Officer

CLUB COMPETITION

It was felt at the start of the season we should re-vamp the Club competition and introduce an athlete performance monitoring system.

Tony Braithwaite, Ian Richardson, Craig Downie and I obtained advice from the Association regard to the Mars Five Star Awards and adjusted this scheme to suit the needs of this Club. The result has proved extremely successful. It is regretful that Tony and Ian left us because of work transfers but with the bulk of the recording being carried out by the athletes it was just a matter of checking the cards and computing the results. This was carried out by the Wheeler family. With just a few suggested improvements I feel this form of Club competition, which already has been accepted by the athletes, gives them greater appreciation of their improvements, achievements and abilities.

John Wheeler.

* Denotes did not compete in all events.

This inaugural "All Age Decathlon" proved extremely successful inasmuch that most athletes surprised themselves in their performances of events not usually contested. The experience of competing in Multiple events competition and gauging performance by points created a certain amount of intrigue and satisfaction, and with requests from athletes that this be an annual event is in itself general acceptance.

We appreciate the sponsorship of this competition by Lidco Aluminium Products and the personal involvement of their Secretary/Director, Mr. Alain Vella and look forward to future years association with Lidco.

N.S.W. MARATHON CHAMPIONSHIPS

Sunday, 8th May, 1983, at Holsworthy, Sydney. 42,195 metres
 Ted Hemmens - 2 hours 57 minutes 26 seconds.
