COACHING

Craig Downie, Steve Kidd, Robert Sewell, John Wheeler.

SPONSORS

Lidco Aluminium Products Pty. Ltd.
Nestles Australia Ltd.
Duracell Batteries
Love Industries

COMMITTEE REPORTSPRESIDENT/SECRETARY

With membership at record level (80) the Club's activities have been most successful not only at home but on away meetings. Cross Country and Road Running during the winter months involving mainly the Senior members was a varied but rewarding participation.

Many young and new "ex" Little A. athletes have added to the successes the Club has experienced this summer. Representation at State meets have been well attended but the participation in the Blair Zone meets have been disappointing. The 800M Steeplechase introduced into the Zone meetings proved very successful both with males and females.

"Lidco" Decathlon Championship attracted 65 entries, and with the assistance of visiting club officials the weekend proved most successful, and our thanks go to Lidco Aluminium Products for the winners' trophies.

Once again the ladies who operated the Canteen have raised approximately \$695 for the Club and they are to be commended for their fine effort.

Mark Wright's car washes and barbecues and our Market Research sessions added to the Club's funds and proved an enjoyable variety to the athletes' activities.

Coaching and training sessions were almost non-existent, with only two coaches available and apart from mid and long distance training the balance was of a non-serious nature with most athletes either working, studying or involved in other sports.

Lack of officials for Saturday afternoon competition has reached a stage where we will have to draw on members' parents to assist, perhaps on a rostered basis. This way we can probably do better programme-wise than in past years.

Our thanks to the Toongabbie Junior Rugby League Football Club and Girraween Little Athletics Centre for the continued co-operation in the many shared ground activities,

Thank you to those committee members and athletes who assisted in the ground marking and maintenance throughout the season.

Bob Sewell, our Registrar, Publicity Officer and general helper in track maintenance and marking, has decided to take life a little easier and it is with regret that we learn that Bob is leaving us. We are indebted to Bob for his contribution to the Club over the seven years. His help and determination has helped the Club immensely, and we wish him well in the future.

Finally, as President/Secretary I have enjoyed working with our committee members and athletes, and look forward to seeing you all next season.

John Wheeler.

TREASURER

This, the seventh Athletic season of our Club, has been the most successful to date. At the beginning of the Season we started with a balance of \$550.78 in the general account.

With an Official for Fund Raising coming forward this season some \$433.74 was raised, this being \$270 from Market Research, \$98.74 Car Washes and \$65.00 Barbecues. The Canteen raised an extraordinary amount of \$694.37 - well done to all those concerned.

The money transferred from the Steeplechase Reserve (\$136.99) to general funds at the completion of the Water Jump was in fact added to and in turn spent on the Water Jump area with \$197.00 being spent on concrete alone.

Singlet sales were up, in the order of some 31 - returning \$335.00. \$135.00 was also spent on 300 Singlet Badges. There are in Stock 49 Singlets and 3 T-Shirts.

There has been a tender accepted for a tap to be placed at the Water Jump for \$640.00. The Parks Trust will pay \$340.00 leaving \$300.00 to be set aside for us to pay in the off season.

The Representative Fund held by St. George Building Society opened with a balance of \$133.11 and closed with \$142.51 and movement being from interest accrued.

I would like to take this opportunity to thank all Club Members and Officials for their support during the Season and wish them all the best for the forth coming season.

S. Kidd.

REGISTRAR

The 1984-85 season attracted 79 athletes which exceeded the previous highest total of 70 in 1980-81.

There were 54 males and 26 females.

John Wheeler was the only registered official again and volunteer officials were scarcer than in previous seasons.

Visiting athletes were plentiful and helped many of our athletes to improve their performances.

Bob Sewell.

COMPETITION RECORDER

This is the second season we have used the Mars Five Star system for our competition. It was relatively successful in that more athlete monitored their own performances and results. However it was also seen that Senior athletes did not appear to be interested in the scheme. I suggest that perhaps this aspect should be looked at.

Competition was keen especially in the last two rounds and points for the top four athletes needed tie-breakers to separate them. Out of 79 athletes who competed during the season 18 gained the 5 Star certificate.

Thank you to all the athletes who recorded their own results which helped my job enormously.

Joan Wheeler.

CLUB RECORDS

My job this year was a tough one, due to the amount of records broken each week. This meant regular Friday night scrambles to get the previous week's "new additions" onto the board, before the Saturday afternoon competition. However, it was also a rewarding job; seeing so many athletes giving their best each week in order to have their names placed on the Girraween Records board.

Those athletes who didn't achieve this more than likely reached "personal bests" in their particular events. These personal records are just as important. As this is my last year as Records Officer, I would like to thank those people who helped me keep all the records up to date and accurate.

I would also like to thank, on behalf of the Club, those visiting athletes who helped to push our "chargers" to a higher level of performance. Without the competition, records and personal bests are so much harder.

Craig Downie.

PUBLICITY OFFICER

The Club's weekly results were published fairly regularly by the "Advertiser" this season, but around January some results were several weeks behind and printed in the "Friday Advertiser" which has a limited distribution.

Bob Sewell.

CANTEEN

With the completion of the 1984/85 season our canteen has shown a very good profit with the help of three Blair Zone and Decathlon Meetings to boost our funds.

Many thanks to our members and visitors who supported us through the season.

All our proceeds will benefit our Club next season.

We hope to see you all plus friends next season which begins in September.

Our total profit for this season was \$694.37.

Lesley Fenech and Bev Grace.
