

West Met 16 Prospect 29-8-15

The final West Met events of 2015 took place at Prospect Reservoir last Saturday, the first time in two years that events were held there due to the extensive works on the earthen banks of the reservoir.

Before the first race, our president Wayne Thurlow, said a few words about our late departed friend Phil Bowden which was well received by all present. A minutes silence was held as a sign of respect for Phil and on the day all Girraween athletes, young and old wore a black armband as a tribute to Phil. It was a lovely touch and Phil's friends at Girraween Athletics were very appreciative of these nice gestures.

The 2km saw a number of fine performances with Ed Bratovic leading the way home for the Girraween contingent, closely followed by Wayne Thurlow. Cristobel Corvalan and Sergio Martinez also ran very strongly on the fast Prospect course. Cristina Sotomayor ran well followed closely by the very consistent Mark Milliss.

Ed Bratovic led Girraween home in the 4km with another consistent performance. David Perry and Carly Eager were not far behind continuing their great late season form. Keith Mayhew was also spotted and hung in well after his solid performance in the previous race.

Rod Zammit was Girraween's star performer in the 8km event followed closely by Clive Kidson and Sergio Martinez who ran very well achieving a time under the forty minute mark.

It had been a beautiful afternoon for running and a big thank you to our volunteers who assisted in any way. Results follow:
