

Hi Michael,

Thank you everybody, it was great to see how much we supported and cheered each other on today.

It was an excellent day for running and everybody's times proved that. Nick also celebrated his Birthday today, by running. George supplied some cakes and we all sang 'Happy Birthday' to him.

Brad ran really well, second across the line today.

Thanks to everybody's help today, it made it run real smooth.

Below are today's results.
